I.C.P.O. Calendar (May 11 - 19, 2006)
Islands, Castles & Portable Operations.
Operations are listed by start date (Day/Month/Year).
==========

** Received from Laci, HA0HW, May 11, 2006 - Couple minutes ago I had a conversation on 20011 kHz with 6W/HA7TM. They had lost their luggage, so Tibi can work with a 40 m dipole with tuner on different bands, and the trip to C5 will be deleyed until they will get their luggage. His QTH is 600 km from Dakar, so he cant go to the airport every day to check up his lost things... [Tnx HA0HW]

As well as operating a variety of modes on VHF and most of the HF bands, the club will also put on a display of radio equipment dating back over the past 50 years. The club's callsign, G3SAD, will also be put on the air as much as possible in June. Look for the club station on Tuesday evenings between 1830 and 2030 UTC. Anyone who submits a QSL card by 1 September, for QSOs with the club during June, will be entered into a free prize draw. The winner will receive a radio related prize donated by one of the club ?s sponsors. The club is also offering a 50th Anniversary Trophy to the club member who works the best DX contact during June. If all this was not enough, the Stevenage & District ARS is also planning a family open day at the club premises. QSL via G2BKZ. Further information about all these events can be found on the club?s website - www.g3sad.org [Tnx GB2RS]
